

(kathy)

i'm not afraid of spiders like most of girls like Kim Gordon Novak Wilde like Bret Easton Ellis' heroins i'm afraid of birds of planes i love airports like Andy Warhol i'm afraid of oldness i'm afraid of aids i love Hollywood's stars like my mother and my grandmother i want to be rich i love clichés icons songs that talk about beat about bang about club about sex to make love with my love showgirls and showboys i don't like sweets i like meat i like real tv i like fat women i don't like too much beautiful women i like small people like tom cruise and madonna ? i'm not afraid of spiders like most of girls like Kim Gordon Novak Wilde like Bret Easton Ellis' heroins i'm afraid of birds of planes i love airports like Andy Warhol i'm afraid of oldness i'm afraid of aids i love Hollywood's stars like my mother and my grandmother i want to be rich i love clichés icons songs that talk about beat about bang about club about sex to make love with my love showgirls and showboys i don't like sweets i like meat i like real tv i like fat women i don't like too much beautiful women i like small people like tom cruise and madonna ? i'm not afraid of spiders like most of girls like Kim Gordon Novak Wilde like Bret Easton Ellis' heroins i'm afraid of birds of planes i love airports like Andy Warhol i'm afraid of oldness i'm afraid of aids i love Hollywood's stars like my mother and my grandmother i want to be rich i love clichés icons songs that talk about beat about bang about club about sex to make love with my love showgirls and showboys i don't like sweets i like meat i like real tv i like fat women i don't like too much beautiful women i like small people like tom cruise and madonna ? i'm not afraid of spiders like most of girls like Kim Gordon Novak Wilde like Bret Easton Ellis' heroins i'm afraid of birds of planes i love airports like Andy Warhol i'm afraid of oldness i'm afraid of aids i love Hollywood's stars like my mother and my grandmother i want to be rich i love clichés icons songs that talk about beat about bang about club about sex to make love with my love showgirls and showboys i don't like sweets i like meat i like real tv i like fat women i don't like too much beautiful women i like small people like tom cruise and madonna ? i'm not afraid of spiders like most of girls like Kim Gordon Novak Wilde like Bret Easton Ellis' heroins i'm afraid of birds of planes i love airports like Andy Warhol i'm afraid of oldness i'm afraid of aids i love Hollywood's stars like my mother and my grandmother i want to be rich i love clichés icons songs that talk about beat about bang about club about sex to make love with my love showgirls and showboys i don't like sweets i like meat i like real tv i like fat women i don't like too much beautiful women i like small people like tom cruise and madonna ?

to be boring is a powerful revolution's machine
